NABSHOW™

Program & Exhibit Guide 2008

The **NABSHOW Program & Exhibit Guide** is the one book that NAB attendees will turn to for information on NAB exhibitors, conference schedules, session descriptions and special events. It features detailed listings for all 1,400+ exhibitors and is a valuable reference during the show and a must keep resource for anybody shopping for equipment or services all year long.

Place your ad in the **NABSHOW Program & Exhibit Guide** and get maximum visibility with buyers during and after the show – that's 12 months of advertising impact with the industry's most important buyers!

New FREE Value Added Bonus

All half page or larger advertisers will receive a Product Spotlight in the **NABSHOW Daily News Digital Preview** edition. The digital edition is delivered in a digital e-zine format the first week in April to all NAB pre-registered attendees. Packed with last-minute convention, conference, event and exhibit news, the Preview Edition replicates the look and feel of the printed Daily News but offers advertisers the additional value of hyperlink to their website.

Supply our production team with 100 words of text, along with a photo and url. Your Product Spotlight will be seen before the show while attendees are still planning their booth visits.
